

REQUEST FOR CAMS SOURCE CODE

This form will be used by bureau personnel to request copies of the CAMS source code. Section 1 is to be completed by the requestor. Sections 2 and 3 are to be completed by the bureau CAMS manager or designee.

By completing and submitting this request form, the requestor agrees to protect the CAMS source code from licensing agreement violations, unauthorized modifications, or destruction. At the end of the authorization period, the requestor will either return the source code copy to the authorized Bureau CAMS Manager or designee, or provide written notice to the bureau CAMS manager or designee that the copy has been destroyed.

SECTION 1 – To be completed by requestor

_____ Date _____ Name of Requestor _____ Office of Requestor

Reason for request and intended use of source code:

Medium onto which source code will be copied:

Location to which copy is to be transported:
